

## **Sunshine Rare Coins Email Newsletter #3 Post Summer Baltimore & Denver ANA Edition!**

Welcome to my third email newsletter. Since my last newsletter in May, I have been busy buying and selling coins at the recent Summer Baltimore and Denver ANA shows.

### **Summer Baltimore Report**

The Summer Baltimore show was a very good and active show.

Despite the show being about half the size of the Spring and Fall shows, and some dealers skipping the show, I picked up some very nice NEWPS that sold fast on the website, along with some quality consignments. I sold some older inventory and the show was better than I expected.

## **Denver ANA Report**

I recently returned from the Denver ANA show, the biggest coin show of the year. I was there close to a whole week, and the action was nonstop from start to finish. I sold a large amount of very nice coins, and picked up close to a double row box full of NEWPS. One of my favorite coins that I bought at ANA was an 1883 CC Twenty Dollar Gold in PCGS AU-58 CAC. It's so hard to find nice and crusty original CAC approved gold, and I couldn't pass this historic CC \$20 up.

Heritage and Stacks both had good auctions with some neat material. Stacks sold an awesome 1794 Silver Dollar in PCGS MS-64 CAC from the Norweb collection for over \$2.8 Million, a stunning price. Heritage sold a very cool group of Colonials from the Don Willis Collection, along with a extremely rare 1792 Birch cent.

There is a few months break before the next major coin show I am planning to attend, which will allow me to catch up in the office. My next show I am going to go to is the PCGS Members Only Show in late October. It's going to be in a new location - Philadelphia, PA. It will be my first time attending a PCGS Members Only Show, and I am looking forward to it. It's a intimate show, with the big players attending. A large amount of business always gets done. Legend is going to have a very nice boutique auction that includes the finest known 1893 S Morgan Dollar in PCGS MS-67 CAC. Here is a link to get more info if you are interested in attending.

A few weeks after the Philadelphia Show is the Fall Baltimore Show in early November. The Baltimore Show is always a great show with great attendance, and I always seem to find some nice fresh coins.

I also set up at the Parsippany, NJ Show almost every month. It's the first Sunday of the month and its always a fun one day local show with good public attendance.

Don't worry, I will still be adding many great coins to the website in between now and October. Please keep checking the website in the next few weeks because I add new coins frequently. If you are looking to sell quality Bust or Seated coins or have anything that you might want to consign to me - please contact me. Also, please let me know if you have any coins on your want list that I can help you find. I have a growing number of collectors who give me want lists so I can help you find that special coin.

I have just added a large group of choice NEWPS to the website from the ANA show, including some premium quality Bust and Seated coins across all price ranges.

Please visit my website below to see my full inventory, and email me at [davidbsunshine@yahoo.com](mailto:davidbsunshine@yahoo.com) if you see anything of interest.
